STA at the Missouri Innovation Campus Virtual Open House

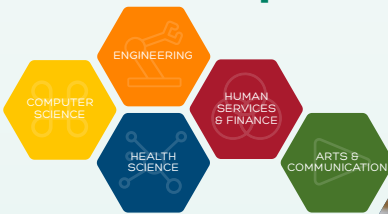

January 14, 2021 or February 4, 2021 | 6-8pm

Our virtual open houses allow for students, parents, and community members to see and learn more about STA. You can attend virtual sessions with course instructors and join student panels to learn more about our pathways and courses.

Register for one of the STA Virtual Open House events!

Registered participants will be supplied with the required access code prior to their Open House.

Click on course names for more information on these exciting capstone courses.
